Batman Arkham City - Walkthrough Gameplay - Part 1 [HD] (X360/PS3/PC)

Catwoman Mission Walkthrough - Part #1 In my opinion, Catwoman is the most boring character in Arkham City. Some stuff about her I like, but aside from her ability to walk on areas of the ceiling, she is probably the worst part of the game. Her thief vision is like a thermal view but is really vomit inducing.

The interior area of Port Adams is quite a restrictive area with limited space for movement. The central open area is a bit of a death trap because of the sight lines granted to the enemy units, but there are several shipping containers around the outside that we can utilise to break line of sight and force the Drone Tanks through narrow gaps one at a time to make things a little less hectic.

This part is a little tough because it's five thugs right around him. If you have the weapon deactivator or the disarming boomerang then this is the perfect opportunity for those. Deactivate two weapons, boomerang a third, drop on a fourth and then attack the fifth and you should pretty quickly have eliminated the guns from the battle.
