

Eurocentrism And The Communist Movement

Eurocentrism And The Communist Movement

Robert Biel's Eurocentrism and the Communist Movement traces the history of Eurocentric -- and anti-Eurocentric -- currents in the Marxist-Leninist tradition, arguing that this distortion was key to the development and spread of revisionism, and ultimately to the failures of the communist project, in the 20th century.

Eurocentrism and the Communist Movement | Left Wing Books

Robert Biel's Eurocentrism and the Communist Movement traces the history of Eurocentric -- and anti-Eurocentric -- currents in the Marxist-Leninist tradition, arguing that this distortion was key to the development and spread of revisionism, and ultimately to the failures of the communist project, in the 20th century.

Eurocentrism and the Communist Movement - Kindle edition ...

"Robert Biel's Eurocentrism and the Communist Movement is a conscientious and well-researched effort to present Eurocentrism as a colonial, racist and social-chauvinist mentality and phenomenon.

Eurocentrism and the Communist Movement: Robert Biel ...

Robert Biel's Eurocentrism and the Communist Movement traces the history of Eurocentric—and anti-Eurocentric—currents in the Marxist-Leninist tradition, arguing that this distortion was key to the development and spread of revisionism, and ultimately to the failures of the communist project, in the 20th century.

Eurocentrism and the Communist Movement - mafiadoc.com

Robert Biel's Eurocentrism and the Communist Movement traces the history of Eurocentric — and anti-Eurocentric — currents in the Marxist-Leninist tradition, arguing that this distortion was key to the development and spread of revisionism, and ultimately to the failures of the communist project, in the 20th century.

Eurocentrism and the Communist Movement - Kersplebedeb

These limits are Eurocentrism, an ideology that has colonized the heart of Marxist theory so as to deform innumerable social movements - negatively affecting both the Russian and Chinese Revolutions, countless smaller resistance struggles, and the anti-revisionist movement that followed the Sino-Soviet split.
