### **I Am Legend Ending**

The alternate ending. In an alternate ending of I Am Legend, some themes and the story's trajectory are drastically changed. Rather than glass cracking in the form of a butterfly, the Darkseeker alpha wipes his own blood onto the glass in the shape of a butterfly. Neville then turns to the Darkseeker test subject on his table,...

I am not rating the acting, direction, set design, etc. which can be found in other places, but instead I am helping you decide to upgrade to 4K or wait. The quality of 4K films, in comparison to the regular Blu-ray version, often depends upon two things: (1) the quality of the original that they have to work with; and (2) how much effort the people put into the project.

Explain The End Of 'I Am Legend' \*Spoilers\*. The cure is the immunity from Will's blood. The blood was transferred to the tested zombie. That zombie was treated well, so Will took blood from the zombie. Now, that blood can be transferred to other infected people, and those with the good blood can transfer to others and so on until everyone has the good blood in their body.

Alternate 'I Am Legend' Ending Is Far Superior. This alternate ending to I Am Legend is (IMHO) far superior to the abrupt version in the theatrical release, and fits in better with something that happens in the film about midway through. At one point in the movie when Will Smith's character took the lead zombie's mate away from them,...
