Lowfat Cooking For Dummies: Lynn Fischer ... - amazon.com

Lowfat Cooking for Dummies has some valuable information, but most of it is all condensed in the first couple chapters. Beyond that, the book is a font of such useful advice as the suggestion of using lowfat or nonfat dairy products to cut the fat in your diet. Not bad advice, but it's definitely very high on the 'Well duh!' scale.

Lowfat Cooking For Dummies by Lynn Fischer - Goodreads

Lowfat Cooking for Dummies Bought this for my young son and his wife. Post first baby, trying to eat right and lower fat intake. They both like to cook and this was a great addition to their cookbook library. For novice or first foray into low fat cooking. They are trying to break away from cheap processed food = unhealthy food.
