In the beginning, there was an opportunity or problem. In the middle, there was struggle, learning, change. And in the end, you received closure. That narrative structure makes for a great story.

### **The End of Closure - The Mission - Medium**

A narrative usually resolves most of the issues the protagonist faces, but the final ending doesn't always provide closure. For example, an ending might leave the door open for a sequel. Sometimes an author wants to leave stones unturned, so a reader can create her own ending or speculate possible outcomes.

### **What Is the Difference Between Resolution & Ending When ...**

Narrative closure is therefore both a function of the narrative itself, some having strong inherent closure and leaving little need to establish it, and a function of the active process whereby the reader establishes closure.

**When Narrative Brands End: The Impact of Narrative Closure ...**

Then, there are those pieces which seem to go nowhere and just end without that feeling of closure. Conclusions can be a challenge even for the most gifted writers, much less the beginning writer. To create a good ending for your narrative paragraph you should practice the following steps.
